

YOUR BEST HOME ENERGY OPTIONS

1. Solar power – cuts your energy cost dramatically.
2. A whole house fan - cuts the cost of a solar system dramatically.

Solar power can be yours for no money down.

A whole house fan can be included with the solar system.

With batteries you will be protected from outages forever.

With all this your home will be worth more instantly.

SOLAR POWER

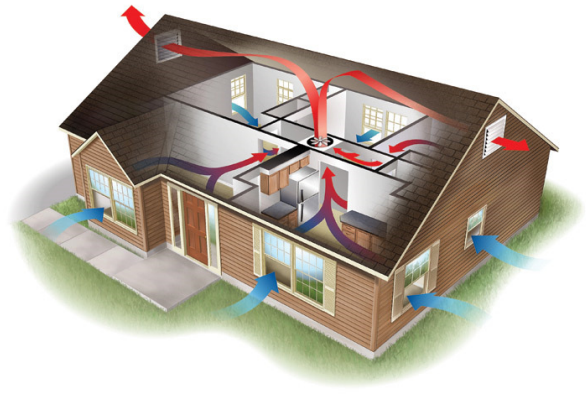

Solar panels are comforting – you know you will never worry about power outage

Batteries give you protection against all outages from storms to terrorist attacks.

WHOLE HOUSE FAN

A whole house fan cools your new home faster at lower cost than any other way

You will have breezes in your windows any time you want them day or night.
